

REFERRAL SCHEME AND 2025 LEADERBOARD

Referrals are a valued source of new memberships. They allow us to build our membership with trusted & like minded fellow golfers. Please find information below on how you can benefit from introducing new members to our network.

As a token of our appreciation, we reward successful referrals with event credit. For each new member you introduce, you'll earn £500 Event Credit.

This credit will be added to your account once the new member has paid.

New membership sales starting on 01/01/2025, 01/02/2025 & 01/03/2025 that have come as a result of current club member introductions will be rewarded with £500 of Event Credit.

[Club Membership Information can be found here](#)
